Malpractice

JCQ define malpractice as:

Malpractice can occur in a range of circumstances:

- Intentional – incidents are carried out purposefully with the aim to give unfair advantage in an examination or assessment;
- Unintentional – incidents arise due to a lack of awareness, carelessness, or forgetfulness in applying regulations;

1.2 Dealing with Suspected Candidate Malpractice

a) Internally Marked NEA, Controlled Assessment or Portfolio Assignment

If a member of staff suspects a candidate of malpractice, the candidate will be informed and the allegations will be explained. The candidate will have the opportunity to give a statement before any final decision is made. If the candidate accepts that malpractice has occurred and has not yet signed a candidate declaration, they will be given the opportunity to repeat the assignment. If the malpractice is proven following the investigation, centre staff may decide to re-mark previous assignments and these could also be rejected if similar concerns are identified. If malpractice is discovered after a candidate has signed a declaration this will be reported to the Awarding Body in accordance with [SM¹](#) (as for externally marked examinations below).

a) Externally Marked Examinations

If a member of staff suspects a candidate of malpractice during an externally marked examination, the candidate will be informed and an investigation will be undertaken by the Exams Officer.

All cases of suspected candidate malpractice will be reported to the Awarding Body in accordance with JCQ regulations and requirements.

As part of the investigation the candidate will be:

- informed of the allegation made against them
- informed what evidence there is to support the allegation
- informed of the possible consequences should the malpractice be proven
- given the opportunity to consider their response to the allegation
- given the opportunity to submit a written statement
- informed of the Awarding Body outcome
- informed of the applicable appeals procedure should a decision be made against them

1.2 Sanctions for Candidate Malpractice

Where a candidate has been reported to an Awarding Body for suspected malpractice which is subsequently proven, the following sanctions may be imposed:

- **Warning:** the candidate will be issued with a warning that if the offence is repeated within a set period of time, further specified sanctions will be applied
- **Loss of marks for a section:** the candidate loses all the marks gained for a discrete section of the work. A section may be part of a component or a single piece of controlled assessment if this consists of several items.
- **Loss of marks for a component:** the candidate loses all the marks gained for a component
- **Disqualification from a whole qualification:** The candidate is disqualified from the whole qualification taken in the exam series or academic year
- **Disqualification from all qualifications taken in the exam series:** If circumstances suggest, the above penalty may be applied to other qualifications
- **Candidate debarred:** The candidate is barred from entering one or more examinations for a set period of time. This penalty may be applied in conjunction with any of the other penalties above if the circumstances warrant it.

1.3 Right to Appeal – Candidate Malpractice

A candidate may appeal against sanctions imposed on them. Appeals will be made by the centre on behalf of a candidate and conducted in accordance with the JCQ Suspected Malpractice in Examinations and Assessments Policies and Procedures and Awarding Body Procedures.

Investigations into allegations will be coordinated by the Head of Centre, who will ensure the initial investigation is carried out within ten working days and in accordance with the JCQ regulations and requirements.

The investigation will involve establishing the full facts and circumstances of any alleged malpractice. It should not be assumed that because an allegation has been made, it is true. Where appropriate, the staff member concerned and any potential witnesses will be interviewed and their version of events recorded.

The member of staff will be:

- informed in writing of the allegation made against them
- informed what evidence there is to support the allegation
- informed of the possible consequences, should malpractice be proven
- given the opportunity to consider their response to the allegations
- given the opportunity to submit a written statement
- given the opportunity to seek advice (as necessary) and to provide a supplementary statement (if required)
- informed of the applicable appeals procedure, should a decision be made against them
- informed of the possibility that information relating to a serious case of malpractice will be shared with the relevant awarding body and may be shared with other awarding bodies, the regulators Ofqual, the police and/or relevant professional bodies

If work is submitted for moderation/verification or for marking which is not the candidate's own, the awarding body may not be able to issue a result for that candidate.

2.3 Sanctions for Centre Staff Malpractice

Where a member of staff has been reported to an Awarding Body for suspected malpractice which is subsequently proven, the following sanctions may be imposed:
